AWARD-WINNING AIR CARRIER JSX LAUNCHES SUMMER FLIGHT SERVICE TO MONTEREY FROM BURBANK AND ORANGE COUNTY STARTING FRIDAY, JUNE 11, 2021

Flights depart and arrive at private terminals on 30-seat jets for a crowd-free, super-safe, and simple travel experience

MONTEREY, CA, May 4, 2021 - The revolutionary hop-on jet service that is pioneering simple, fast, and enjoyable air travel experiences—is launching summer flight service to Monterey (MRY) from Burbank (BUR) and Orange County (SNA) starting Friday, June 11, 2021.

Now available for booking online via the JSX website, JSX offers savvy SoCal travelers looking to avoid the worry and stress of busy terminals and packed planes peace of mind in planning upcoming Summer vacations and weekend escapades away from the city. By flying between private terminals on 30-seat jets, JSX is uniquely positioned as one of the only crowd-free alternatives to public air travel with affordable fares starting at \$199 each way.

Having just celebrated its 5th anniversary, JSX continues to dramatically improve the air travel experience by offering comfortable, hassle-free travel options for an incredible value. SoCal travelers heading up north to experience the idyllic Monterey seascape can arrive just 20 minutes before departure for a seamless check-in experience that includes at least two checked bags with every fare. Once onboard, JSX encourages all travelers to kick back and relax with a spacious 1x2 seating arrangement boasting business-class legroom and complimentary cocktails inflight.

No dwell time in congested airport terminals means JSX saves customers up to two hours compared to traditional airlines. Travelers who fly JSX can minimize the time spent waiting for their flights and maximize their time on the ground – or on the beach, exploring the pristine coastline of Monterey.

Recognized by Fast Company as one of the “Most Innovative Companies” of 2020, JSX has established a rapidly growing network across the West Coast and Texas, and amassed a reputation for joyful, simple, and reliable air travel by carving out a new category of flying it calls ‘hop-on jet service’ for all.

“With the easing of travel restrictions and the increased appeal in safe getaways this Summer, we are pleased to be the only air carrier offering nonstop flights to Monterey from both Orange County and Burbank,” states JSX CEO Alex Wilcox. “Our distinctive form of flying eliminates the hassles and headaches associated with congested airports, irksome middle seats, and long TSA lines. I am confident these new routes will offer friends, families, and colleagues a simple, joyful way to travel from SoCal to one of the nation’s most picturesque regions.”

JSX Simpli-Fly Enhances Customer Safety

JSX – recognized by Airline Passenger Experience Association (APEX) as the 2020 “Best Overall in North America” air carrier – has introduced a new meaning to ‘safe travels’ via its Simpli-Fly program, allowing customers to skip the crowds, hop on, and simply fly.

Features of the program include:

- Increased aircraft and lounge sterilization throughout the day
- HEPA filters and fresh air circulation every 2-3 minutes onboard - 5x more per hour than a hospital
- No middle seats or overhead bins and a maximum of 30 customers per flight
- Contactless, real-time, AI-enabled thermal Temperature Measurement Machines (TMM) at every airport
- Fast deplaning and limited bag handling, with bags delivered moments after arrival

For more information or to book, please visit the JSX website.
