**Monterey Peninsula Airport District
Disadvantaged Business Enterprise (DBE) Program (Draft) available for review**

Pursuant to the notice requirements of 49 Code of Federal Regulations (CRF), the Monterey Peninsula Airport District (the District) hereby publishes notice of its program goals for its federally mandated Disadvantage Business Enterprise Program.

The Monterey Peninsula Airport District has developed, and is making available for public review and comment, the following *draft* documents for Airport Improvement Program (AIP) funded projects at the Monterey Peninsula Airport:

1. Disadvantaged Business Enterprise (DBE) Program (Draft)
2. DBE Goals for Federal Fiscal Year 2010
3. DBE Goals for Federal Fiscal Year 2011

The subject documents may be reviewed on the District's website at <http://www.montereyairport.com> for (30) calendar days following the original date of this notice. The District will accept comments on the subject goals for (45) calendar days from the original date of notice. All comments should be sent to:
