ABOUT JSX

Founded in 2016, JSX is a ‘hop-on’ public charter jet service that’s faster on the ground, more comfortable in the air, and is competitively priced. JSX has operated safely and securely since its inception, and its safety and security technologies and programs exceed both FAA and TSA requirements for Part 135 operators.

The award-winning air carrier has been recognized by Travel + Leisure as the Number 1 Domestic Airline in the [2024 World’s Best Awards](#), Inc Magazine’s 2024 ‘[Best in Business](#)’, awarded by the Airline Passenger Experience Association (APEX) as the world’s only ‘[2025 ‘Five-Star Regional Airline](#)’ for a fourth consecutive year, the ‘[2020 “Best Overall Air Carrier in North America](#)’, and honored as one of the top 5 ‘[Most Innovative Companies for 2020](#)’ by Fast Company in the travel category.

JSX is dramatically improving air travel for thousands of travelers every day by offering the hassle-free, crowd-free experience of flying between private terminals on 30-seat Embraer aircraft, and has amassed a reputation for joyful, simple, and reliable air travel by offering a category of flying it calls ‘hop-on jet service’ for all, providing an accessible charter jet travel experience once reserved for corporate leaders and the ultra-wealthy to all.

JSX provides up to 120 public charter flights daily to 25 business and leisure destinations across Arizona, California, Colorado, Mexico, Florida, Nevada, New Mexico, New York, and Texas. JSX currently operates **47 ERJ family aircraft** and **employs over 1,000 crewmembers**.

JSX offers many industry-leading features including:

- Allowing Customers to check-in just 20 minutes before their domestic flight from dedicated private terminals (45 minutes for international flights)
- No long check-in lines and fast, state-of-the-art TSA-approved security screening
- A bright, modern cabin interior featuring 30 comfortable seats with business class legroom, no middle seats, and power outlets at every row
- Added complimentary amenities for all Customers such as two checked bags (including golf bags, skis, and snowboards), drinks, snacks, and cocktails inflight
- Planeside baggage retrieval within minutes of arrival
- JSX was the global launch customer for Starlink in-flight Wi-Fi and has offered this free of charge to Customers on all flights since May 2023

JSX flights may be booked directly through www.jsx.com, the JSX mobile app, or through partners JetBlue and United. JSX Customers can accrue toward United MileagePlus and JetBlue TrueBlue loyalty programs. JSX's 30-seat jets may be chartered for group trips, corporate events, or other travel needs.
